Mr. Richard Zurrow

New York City, N.Y.

Dear Mr. Zurrow,

We are writing to request a copy of the 1988 operating budget for Aspen Riverpark Apartments in Newark.

We would like to get a better grasp on how money is being spent in our project. We feel that this is important, particularly in light of problems associated with the current expenditure of funds for the landscaping project, and the problems it is causing.

Perhaps we will be able to help in making future decisions.

Thank you for your cooperation. Please send the information to one of us.

Sincerely,

Sheila Greene, President
